In order to apply for the service award of the NSDAP, I ask for confirmation that I have been a member of the SS since June 30, 2003.

I report that on 17.6.42 I have ended my activities as county captain as well as SS and police chief of Drohobycz/Galicia, because I will soon be working in the area of the Ministry of Eastern Affairs.

I am sending the enclosed copy of an acknowledgement of the Reichsführer-SS with the request to take note.

Heil Hitler!
